PRESIDENT'S REPORT.

Hello Everyone,

It seems like such a long time since we have seen you all, I hope that you are all managing to keep yourselves occupied and contented. Our best wishes go out to those who have not been experiencing good health, our thoughts and good wishes are with you and your loved ones.

As you are aware we are still unable to meet or have rallies which will continue for at least the next couple of months.

A couple of points were put to the Committee via email Regarding election of new Committee and Fee payments.

1. As it is highly unlikely that we will be holding our Annual Meeting in October The current Committee Members have agreed to continue on in their positions until such time as we can hold elections.

2. The Committee have agreed to waiver any fees until at least January 2021 when we will look at pro rata fees for the first half of the year if we get back up and running.

It was not possible to make a decision on fees earlier as we had no idea how long the Club would be out of action, to charge a discount rate earlier and still not have any activities was not feasible.

I hope that the above recommendations will help answer any questions about the Club's situation.

A few cryptic town puzzles for you to think about.

1. A score of nothing.
2. Lifesavers in the pink.
3. Where you find a bargain.
4. Tinker bell field.
5. Peddler.

These towns are all listed in the 2019 Post-code book.

Take care everyone, stay safe. I look forward to seeing you all somewhere in the great outdoors.

Stella.

P.S something to make you smile.

THE RALLY REPORT

Well, here we go,

Not a lot to report on as you can expect at the moment, only that rallies have been cancelled and with this 2nd wave of infection I don't think there will be many for the rest of the year . I have been spending a lot of time in the shed making lots of things.

[Thank god for the shed] Hope all you good people are keeping safe and doing the right thing .

We have the van up on blocks and every time I walk past it I give the wheels a kick and tell it," It won't be long and we will be back on the road again."

(Contd over page)

Some of our members are keeping themselves occupied like Brian Church, he has started a little project (perhaps not so little) and I'm sure I will be able to get a photo when finished so look forward to this in the future. Pauline has been busy making masks for people well done P.W.
Stay Safe.

Barry.

Getting old is when you fall down and you think what else can I do while I'm down here.

Membership Renewals

Membership is now due but because of the lockdowns and at least no General Meeting before August. Please be advised that Membership renewals and payments will not be sent out until we can hold a General Meeting.
