PRESIDENT'S REPORT.

Hello Everyone.

I hope you are all well and keeping yourselves occupied during this time of isolation. It has certainly been a challenging time for many, but thankfully we have not had the devastating situation which many countries have experienced, thanks to our leaders taking early action. I am sure there has been some beautiful needlework and quilting done, models built, gardens landscaped etc. it would be lovely to see some photos of "Isolation Projects".

Barry got creative for our son in Queensland. His windy road in the country features many novelty mailboxes featuring peoples hobbies etc. Barry made Greg a new mail box. Trimming to be added once erected, when we get to Queensland??

To all who have been unwell throughout the past months our thoughts are with you. Please if you know of a member who is in hospital or unwell can you let either myself or Robyn Church know, we would love to let them know they are in our thoughts. I know we have had several members very quietly celebrating birthdays and anniversaries our best wishes to you all. We hope you get to do your planned celebrations soon.

Please take care of yourselves and hopefully in the not too distant future we will all gather somewhere in the great outdoors I can feel a BIG Happy Hour coming on!

Cheers, Stella.

I know some people have become very creative in alleviating their boredom like one lovely, caring lady who ensured her "Guard Dog" did not go cold this winter.

THE RALLY REPORT WHEN WE HAVE NOT HAD A RALLY

G' day ,

To all you happy stay at home people, hope you are all keeping well and dreaming of our next rally. It should be a good one with plenty of stories of how you filled in your lock down.

I have spent many hours in the shed cleaning out 53 years of (I might need that one day) can't believe the stuff that I accumulated.

Stella has been doing a bit of gardening so everything is looking nice around the house . Look after yourselves, do the right thing and we will soon be all back on the road again.

Looking forward to seeing you all.

Barry

A doctor and a bus driver were in love with the same woman, an attractive girl named Sarah .The bus driver had to go on a long trip that would last a week , before he left he gave Sarah seven apples.

WHY?
