There will be no Newsletter printed in
November.
We will print a December Newsletter to let
you know of the latest developments in
2021.

PRESIDENT'S REPORT.

Hello Everyone,
Here is hopefully our last Newsletter in isolation. We have been very fortunate in Regional Victoria to have so few cases of COVID-19. As we all know country people are the tops at doing the right thing, making sacrifices, respecting others and wanting the best for our communities. We really are a lucky lot living where we do.

Hopefully in the not too distant future we can share some time together. At present though we still can't have meetings or rallies. Of course if people wish to go away for a few days on their own that is up to each individual.

As mentioned in the last Newsletter, the Committee are continuing on as is for the time being, we hope to be able to have an AGM early in the New Year.

There will not be a Christmas Dinner this year for the obvious reason.

Best wishes to those who are not experiencing the best of health, it is distressing not to be able to visit relatives and friends in hospital or at home dealing with illness or not have visitors ourselves.

Take care, Folks.

Hoping to see you all in the great outdoors very soon.

Stella.

THE RALLY REPORT

Hi all,
It looks like we may be able to get excited about getting out and about again, there will be a lot of changes on how we all socialize for a little while but I think we will be able to cope with that . One of our members has taken up building trucks (see photos) a great job well done Brian , filled in a lot of lock down time.

Not sure about rallies as yet, we will have to wait for the next report from the Gov. We still can't have meetings at the hall as it has restrictions on how many can be there at the one time.

Barry.

Three old sisters living in a two story house. Violet decides to have a bath, she runs the water and starts to get in the bath, stops and asks herself was I getting in the bath or getting out of the bath. She calls out to Primrose , was I getting in the bath or getting out of the bath. Primrose replies I will come up. She gets half way up the stairs stops for a spell and thinks to herself was I going up the

stairs or was I going down the stairs . Primrose then calls out to Maude, was I going up the stairs or going down the stairs, Maude think to herself, they have lost some marbles I am not like them knock on wood then calls out to Primrose I will have to see who is at the door.
